Warmly,

Arts Huntsville Board President  
Allison Dillon-Jaiken  
Arts Huntsville Executive Director

Thank you for celebrating 26 years of art, nature, and community with us! Whether you're a seasoned collector or looking for your very first piece of original art, we know you'll discover something special among this year's exceptional artists. While you're here, be sure to enjoy local food vendors and live music from outstanding local musicians.

A special thanks to Monte Sano State Park for once again hosting us in this stunning natural setting. Please note that parking fees directly support Alabama's State Park System, helping preserve this beautiful space for future visits. We encourage you to return throughout the year to enjoy everything the park has to offer.

We extend our deepest thanks to the talented artists, dedicated volunteers, generous sponsors, and supporters like you. Your continued enthusiasm is what makes this festival thrive year after year.

Arts Huntsville is thrilled to welcome you to the 26th Annual Monte Sano Art Festival presented by Damson Automotive! Originally launched by a passionate group of volunteers, this beloved community tradition is now a nationally recognized event, ranked among the Top 50 Arts Festivals in the Nation by Sunshine Artist Magazine. Since Arts Huntsville began managing the festival in 2014, we've been proud to continue its legacy of celebrating creativity in the heart of Monte Sano State Park.
